Art and Craft Competition

The Deaf Festival is an opportunity for Deaf and hard of hearing adults and children to showcase their awesome talents through art and handicraft.

This year, we are encouraging all deaf and hard of hearing Queenslanders to submit artwork and handicraft for our 15th Deaf Festival 2023 Art and Craft competition. You are encouraged to let your creativity run wild. Artwork can be in the form of a painting, drawing, photograph, collage, charcoal art, or computer designed original art. While handicraft can be textile art, sculptures, mosaics, macrame, woodwork, leatherwork so on. There is no limit on type of art or handicraft you could submit.

This year our theme is:

“A world where deaf people can sign anywhere”.

All artwork and handicraft must show your thoughts and expressions on inclusive community for all.
